DESCRIZIONE

... a beautiful extension of this house, 200 square meters that surround it on two sides, connected through a walkway. The garden is very well planted, with luxuriant hedges along the perimeter and ornamental plants, among which the centuries-old olive tree and the pomegranate stand out. One part of the garden is structured for the insertion of an inground pool, while another has been finished with an outdoor wooden floor and cover with movable sunblind ...

... curtains. For this reason, the private garden of this apartment represents a pleasant extension of the living area in good weather where you can receive friends. INTERIORS: The planimetric layout of the house is very intelligent and usable: once through the access door we find ourselves in the living area, which is airy and bright thanks to the high ceilings over 3.00 meters and to the French windows overlooking the garden. On the left, the area ...
